What to Expect:

Kim Gentry is an International Grand Prix rider, trainer, and USDF "L" graduate, that works with all levels of horses and riders. Participants will have an opportunity to try a wide variety of bits per session. Snaffle sessions last approximately 1 hour and double bridle sessions approximately 1.5 hours. She will measure the horse's mouth and look at the overall shape and anatomy of the mouth. She will watch the horse go under saddle with their current bridle set up and then begin working with different bit options. The goal is to find a bit that clear demonstrates when the horse is the most comfortable. Participants will try many bits and will be on and off your horse many times.

Bit purchases can be made the day of the clinic and shipped directly to the participant.

Bit and/or bridle purchases ARE NOT INCLUDED in the clinic cost.

****Please make sure your rein buckles and check pieces are clean and pliable to make bit swapping as easily as possible. ****

ASSUMPTION OF RISK, WAIVER AND RELEASE OF LIABILITY

I [PRINT NAME HERE] _____ (hereafter, "Participant", which term includes Participant's parent or legally-appointed Guardian, if a minor), freely and voluntarily seek to participate in any or all programs, events and/or activities sanctioned, produced, or sponsored by the United States Dressage Federation ("USDF") that include educational and training programs, youth programs, clinics, and/or competitions at any time and at any location. These activities, programs, and events will hereafter be referred to as "the Activities," and the USDF, together with its sponsors, managers, property owners, officials, organizers and affiliates and their respective directors, officers, members, employees, agents, volunteers, representatives, and designated officials will collectively be referred to as "Event Sponsor." In consideration of the Event Sponsor allowing Participant to participate in the Activities, now and in the future, Participant agrees as follows:

1. Acknowledgment of Inherent Risks of Equine Activities/Assumption of Risks. Participant acknowledges that there are numerous inherent risks of equine activities, whether preparing for, entering, attending, participating in, or leaving the Event. The inherent risks include those dangers and conditions which are an integral part of equine activities, including, but not limited to: (a) the propensity of an equine or other animal to behave in ways that may result in injury, harm, or death to persons on or around them; (b) the unpredictability of the equine's reaction to such things as sounds, sudden movements and unfamiliar objects, persons, or other animals; (c) certain hazards such as surface or subsurface conditions; (d) collisions with other animals or objects; (e) the potential of a participant or other Participant to act in a negligent manner that may contribute to injury to the participant, Participant, or others, such as failing to maintain control over the equine or not acting within his or her ability; (f) the breakage or failure of tack or other equipment; (g) the potential that an equine or animal may cause injury or harm to the rider or other persons or animals in the vicinity; (h) and the potential transmission of communicable diseases to both humans and equines. Participant is not relying on Event Sponsor to list within this document all possible inherent risks or all risks of participating in any of the Activities at any location.
2. Waiver and Release of Liability. With full knowledge and appreciation of these and other inherent risks associated with equine activities and the Activities, Participant freely and voluntarily assumes the risks of the equine activities involved in any aspect of them. In this connection, Participant also voluntarily agrees to waive any and all rights to sue and hereby releases the Event Sponsor from all liability, loss, claims, or actions for injury, death, expenses, or damage to person or property resulting from the inherent risks of the Event, or resulting from any action or inaction by the Event Sponsor. This waiver and release is effective even if the injury, death or damage to person or property is caused by, or contributed to by, actions or failure to act of the Event Sponsor and which actions or inactions constitute ordinary negligence or a violation of any applicable law pertaining to equine activity liabilities. Neither Participant nor Participant's representatives shall make any claim against, maintain an action against, or recover from the Event Sponsor or its sponsors, directors, officers, members, employees, agents, volunteers, representatives, designated officials, or others acting on their behalf for injury, loss, damage or death of the Participant, to the Participant's horse, or to the Participant's personal property (regardless of ordinary negligence by the Event Sponsor or regardless of an alleged violation of an applicable equine activity liability law
3. Equine Liability Act. Should the Activities take place in a state with an equine activity liability law, Participant acknowledges reading the applicable state warnings and/or provisions set forth below and on the next page (if any).

FLORIDA WARNING
